Our vision at Frederick Gent School is to provide a **quality** teaching and learning experience, outstanding pastoral **care** and **success** for all.

We want every student to have high aspirations, the ambition to achieve their best and the opportunity to play a full part in the life of the school.

To achieve this vision, the staff, students and families of Frederick Gent School will work together in the following ways:

Quality

School: Provide high quality learning experiences for all students.

Student: Aim for excellence by demonstrating high standards in all learning experiences.

Parent: Ensure that my child has the correct equipment for school and is supported at home with independent learning.

Care

School: Talk to parents and students about positive comments and areas of concern so that school and families can support the student in achieving their best.

Student: Work with staff and other students to create a caring environment based in tolerance and mutual respect.

Parent: Will communicate clearly with the school and support the schools code of conduct by ensuring my child attends school, on time, every day, in the correct uniform and follows the schools' behaviour policy.

Success

School: Have high aspirations, which will be supported through a range of experiences both in and out of school and to communicate these with parents regularly.

Student: Demonstrate excellent attitudes to learning in all aspects of school life, arrive to school and lessons on time and have an attendance figure of at least 97%.

Parent: Discuss attainment, successes and areas for development with students and staff when appropriate including parents' evenings.

I have read and understood the expectations for members of the Frederick Gent School community.
