Dear Parent/Carer,

**Year 11 Mock Examinations 11<sup>th</sup>- 28<sup>th</sup>  
January 2022**

Year 11 students are about to enter a crucial time at school as the second mock GCSE examination period approaches. This is a very important time and we are fully aware that parental support is essential in helping our students succeed.

You will find on the reverse of this letter a copy of the January mock examination timetable which gives details of when the exams are taking place. Please make yourself familiar with this in order to support your child. A copy of the timetable has also been made available to your child via SatchelOne and a further copy can also be found on our website.

Mock exams are extremely important for your child, not only in preparing them for their final exams in the summer, but also as a benchmark of their current attainment. In addition, in the unlikely event of your child missing an actual GCSE examination through exceptional circumstances or examinations being cancelled as a result of Covid-19 measures, the examining bodies would look to the school for evidence of your child's achievement and these mock exam results would provide part of that assessment.

In order to support your child's preparation for these exams, please ensure that they have a revision timetable in place and that they are attending the various intervention sessions, which run every day from 3pm to 4pm (please see the timetable below).
